

SMARTECH DOOR SYSTEMS

INNOVATIVE DESIGNS – Smart-Tilt Window

SMART-TILT WINDOW SYSTEM WITH A FIXED WINDOW BELOW

Enabling open-plan by creating a large contemporary tilt window system, Smartech Door Systems was engaged by Signature Homes Geelong to look at the different options for the home owner and careful considerations was planned out to create a fixed window below and have the innovative Tilt Window above.

This allowed the connection of the kitchen to the backyard and to maintain overlooking to the large swimming pool and outdoor landscape. Smartech Door systems is proud with the final results that the builder had won awards for being
