WHO WE ARE..

Core Competencies

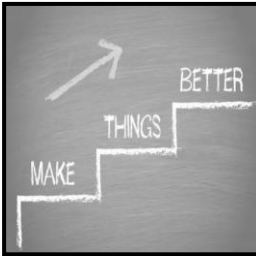

- Development and innovation of vertical-lifting doors, windows, walls
- Introducing and manufacturing innovative Australian-made Products

Brief History

Smartech is a 12 year journey that started with just 2 people in Melbourne. Now Smartech supplies its products worldwide and has interstate distributors.

Value Proposition

- Continuous refinement and improvement of the designs and performance of our products.
- Providing our clients with an exceptional experience and service is always our primary goal.

Competitive Advantage

- Our strengths are built into our reliable and high-end Australian-made products.
- Based on our technical experience and knowledge, customised solutions, constant product improvement and fast installation are always guaranteed.
